SUPPLEMENT TO
REPORT NO.

1. The Communist Indochina (PCI) has appointed [REDACTED], Vu Tung, and Ly Duc Thuan a Dan Van unit in the Eastern Intersone of South Vietnam. [REDACTED] is currently at Xom Bau-Tan Uyen [REDACTED] Province and has been training class for Dan Van agents.
2. The Dan Van unit is being organized to consolidate its position among the people. Members of the unit thus have to be living directly with the people, aiding them in their needs and building up their morale in order to prevent them from rallying to the South Vietnamese government. The Dan Van agents disguise themselves when among the populace in order to better carry out their propaganda.
3. At present, however, the activities of the Dan Van unit are not well coordinated and only headquarters and training classes are functioning. They have not yet engaged in special missions.
